To Whom It May Concern

Dear Sir's:

This letter is in regard to the services provided by Dan Dalton and company. Mr. Dalton has contracted with the Union Pacific Railroad on several occasions in the past to make repairs on steel structures which required an expertise beyond our in-house means. Mr. Dalton has always performed in an exemplary manner with verbal commitments that are consistently met on an on time or ahead of time basis ; with an excellent quality of work.

He has first rate technical knowledge and has always worked well with the Union Pacific crews on hand. His safety record is outstanding with a constant commitment to personal protective gear. Mr. Dalton comes highly recommended from this office and certainly is our first choice for steel repairs or flame straightening.
